

Integrated Cancer Genomics Lab

MARCH NEWSLETTER 2025

Exploring breakthroughs, celebrating milestones, and staying connected—welcome to the March 2025 edition of the Integrated Cancer Genomics Lab newsletter.

Celebrating a Milestone : Supriya Hait's Synopsis Seminar and Manuscript Acceptance

Congratulations to Supriya Hait on successfully delivering her synopsis seminar and having her manuscript, on impact of co-occurring tumor suppressor mutations with EGFR as early indicator in lung cancer, accepted in ESMO Open!

RNA Scope Analysis in Oral Cancer Research

PhD student Aniket Chowdhury performing RNA scope on oral cancer tissue samples.

RNA Scope Talk at UDSC

The Integrated Cancer Genomics Lab (DUTT Lab) organized a talk on RNA Scope at the University of Delhi South Campus, bringing insights into advanced cancer research techniques.

Happy Birthday, Suhail!

Wishing Suhail a wonderful birthday
filled with joy and success!

Happy Birthday, Bhawna!

Wishing Bhawna a wonderful birthday
filled with joy and success!

Happy Birthday, Akshaya!

Wishing Akshaya a wonderful birthday
filled with joy and success!

Visit from Lab Alumna!

Prof. Amit Dutt with Dutt lab members and lab alumna Mallika Ranjan come together for a memorable moment!
